

26 HORICON AVENUE, P.O. BOX 120
BOLTON LANDING, N.Y. 12814

April 16, 2020

Dear BCS Families:

I hope this letter finds you all well and healthy. During this difficult time, I wanted to provide up to date (as of today) information and remind you that if there is anything we can do to help during this extended school closure, please contact us by phone or email.

During his press conference on Thursday, April 16th, Governor Cuomo extended the school closure until May 15th in New York State.

Food delivery, for those who have requested it, continues to occur on Monday, Tuesday and Thursday each week. If you would like to be added to this list, please email Mr. Shippee.

Remote instruction continues and has been going well. If you have *any* questions, concerns or are having difficulty, please email your child's teacher, Mrs. Borgh or Mrs. Clark and they will assist in any way they can.

Thus far, our students have lost out on several opportunities. These include, but are certainly not limited to:

- Girls' Basketball New York State Regionals
- Youth & Government Conference
- Drama Club Productions
- PTO Family Event and Book Fair
- All-County Concert
- Junior Prom
- Several Field Trips

While we're saddened at the many lost opportunities for our students, we remain committed to doing all we can while we are apart so we can be together again soon.

Our faculty and staff miss our students and look forward to the time they can return to the classroom.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Graney". The signature is written in a cursive style.

Michael J. Graney
Superintendent.
