BOLTON CENTRAL SCHOOL DISTRICT

## GRADUATION

## The Face of the Future

### Congratulations Class of 2010!

With a total of 31 students, Bolton's Class of 2010 is one of the largest graduating classes for the school in recent history.

Members of Bolton's Class of 2010 posed for a group shot outside of the school building.

Motivated, selfless, and dependable were some of the descriptors used to identify the group of seniors by their class advisor, secondary social studies teacher Patrick Morency.

"There are so many different personalities in the class and I really enjoyed each of them," said Mr. Morency. "I'm sure they will go on to bigger and better things."

Mr. Morency has been the advisor to the Class of 2010 since he met them when they were in sixth grade, which happened to be his first sixth grade class that he taught at Bolton Central School.

"They were a very active fund-raising group," said Mr. Morency. "I could always count on them to come together whenever we did a fundraiser. They all did their part."

From spaghetti dinners to selling candles, the Class of 2010 collected money to use toward their junior prom that was held at The Sagamore Resort.

Mr. Morency said, "The students appreciated the community's support in their fundraisers and chose to give back to the community by holding the prom locally."

"This year when they didn't need to raise any money they volunteered to help out the Booster Club to raise money for scholarships."

Mr. Morency added that the parents of the students in the Class of 2010 have also been very

involved and helped organize class activities.

As these young adults, known as Millennials or Gen Yers (people born between 1980 and 1995), prepare to go out into the world, what's in store for them? How will society change?

First of all, the population has now shifted. Gen Y outnumbers Baby Boomers (born 1946-64), according to "Social Media Revolution 2," a video based on "Socialnomics" by Erik Qualman.

Qualman also reported:

- 96 percent of the Millennials have joined a social network (such as Facebook).
- If Facebook were a country it would be the world's 3rd largest ahead of the United States and only behind China and India.
- A 2009 United States Department of Education study revealed that on average, online students out performed those receiving face-to-face instruction.

With a desire to give back to their very supportive community, the Class of 2010 held their junior prom at The Sagamore Resort.

- One in six higher education students are enrolled in online curriculum.
- Generation Y and Z consider e-mail passé, therefore in 2009, Boston College stopped distributing e-mail addresses to incoming freshmen.
- The #2 largest search engine in the world is YouTube.
- Wikipedia has over 13 million articles...some studies show it's more accurate than Encyclopedia Britannica...78% of these articles are non-English.

Mr. Morency stands next to senior Grace Cady at her junior prom in 2009.

Gen Y will be the most significant consumer sector for the media and entertainment industries, cited The Millennials Web site. The site also states, "Not only will they be big; they will be fragmented and difficult to reach. The increasing number of media channels - instant messaging, email, social networks, chat rooms, iPods, mobile phones, MP3 Players, P2P networks, handheld devices, digital video recorders, video games, game consoles and next generation communities and devices - through which this generation communicates and consumes media and entertainment, makes them a highly elusive target for businesses hoping to reach them."

How would one reach Bolton's Class of 2010? Results of a survey of 60% of Bolton seniors on what modes of communication they use revealed:

### What Do They Own?

- Computer - 88.9%
- Cell phone - 100%
- MP3 player - 72.2%
- Digital Camera - 72.2%
- Video Games - 83.3%

### How Do They Communicate?

- In person - 100%
- Facebook - 83.3%
- Twitter - 11.1%
- Texting - 100%
- Emailing - 66.7%
- Cell Phone - 94.4%
- Land Line Phone - 83.3%
- Video Chat - 27.8%

### What's Their Preferred Way to Communicate?

- In person - 61.1%
- Facebook - 16.7%
- Twitter - 5.6%
- Texting - 66.7%
- Emailing - 5.6%
- Cell Phone - 11.1%
- Land Line Phone - 11.1%
- Video Chat - 5.6%

### Social Networking Stats

- 88.9% have a Facebook page
- 5.6% have a Twitter account
- More seniors got their news online rather than reading it in the local newspaper.

## Working Hard Has Paid Off for Students

JUNE 2010

Eagle Eye

The top five students are: **Matthew Peterson, Jacqueline O'Donnell, Domenick Pfau, Eric Fisher, and Samantha Kincaid.**

Matthew is the valedictorian of the Class of 2010 with a grade point average of 94.67. He is the son of Debra and Karl Peterson of Diamond Point. Matthew has been in the National Honor Society since 10th grade. He has been a member of the Varsity Soccer, Basketball and Golf teams, and played AAU Basketball in grades 9-11. He has participated in Youth and Government, Outing Club, Student Council, and Writers Club, and the Drama Club's production of "The Wiz."

One of Matthew's fondest memories of high school was the first Outing Club trip he took to California.

Matthew will major in journalism at the University of South Carolina. He's looking forward to concentrating on journalism and studying abroad.

Salutatorian of the Class of 2010 is Jacqueline O'Donnell with a grade point average of 93.76. She is the daughter of Victoria and John O'Donnell of Bolton Landing. A member of the National Honor Society since 10th grade, Jacqueline has also participated in Youth and Government, marching and jazz bands, and was treasurer for Key Club. For two years, she was in Model United Nations. In addition, she was a cheerleader and was cheerleading captain for two years. She was in the Drama Club's productions of "Phantom of the Opera" and "Beauty and the Beast." She was also an intern to Warren County Supreme Court Justice David B. Krogmann.

In addition to being salutatorian of her class, one of the best moments of her high school years was when she was in 10th grade and won second place in B'nai B'rith Capital District Holocaust Essay Contest.

Jacqueline said she's looking forward to the diversity that college life will bring, meeting new people and being close to the city. She's attending Seton Hall University and will study psychology with the hopes of working in the criminal justice field. She's thinking about working for the Federal Bureau of Investigation.

Third in class is Domenick Pfau with a grade point average of 91.23. He is the son of Janice and Kenneth Pfau of Bolton Landing. A member of the National Honor Society since 10th grade, Domenick was also in Youth and Government, Key Club, Outing Club, and Spanish Club. One of the highlights of high school for Domenick was when he was playing in ninth grade basketball and was called to play in the varsity sectionals at Plattsburgh. Domenick said the best part of graduating is that he's almost ready to enter the real world and get a job, but not until he goes to college. He's looking forward to the challenge of managing his time and discovering how it is to live on his own.

Domenick plans to study international business at SUNY Plattsburgh in the fall.

With a grade point average of 91.05, Eric Fisher is fourth in his class. Eric is the son of Catherine and Dean Fisher of Diamond Point. Eric has been a member of the National Honor Society since 10th grade, the team captain of the Academic Bowl, and a member of the Key Club. He was on the varsity Soccer, Baseball and Ski teams.

"Beating Chazy in soccer in ninth grade" Eric said was one of his favorite memories from high school.

He's looking forward to a college lifestyle as he plans to study landscape architecture at SUNY College of Environmental Science and Forestry. His hope is to join a big firm and travel around the country or around the world. Then, when he's older, start his own firm.

Samantha Kincaid is the daughter of Laurie Kincaid of Hadley and Barry Kincaid of Bolton Landing. She has achieved a grade point average of 90.87 during her high school career. She has been a member of National Honor Society since 10th grade, vice president of the Key Club, treasurer of Student Council, participated in Youth and Government and in Model United Nations in 10th and 11th grade. She tutored students in math. Samantha participated in the Drama Club productions of "Phantom of the Opera" and "Beauty and the Beast." She also has played varsity Softball since 10th grade.

A highlight of her high school years was when she single-handedly raised money for Reflex Sympathetic Dystrophy (RSD).

She's looking forward to meeting people who have similar interests as she heads off to Clarkson University to study chemical engineering. After Clarkson, she hopes to continue her education and go to medical school to study biomedical engineering, which is the engineering field that designs artificial hearts. She's interested in medicine and in helping people.

# Alumni Receive Scholarships, Too

Scholarship Association provides awards to former Bolton students who are enrolled in college.

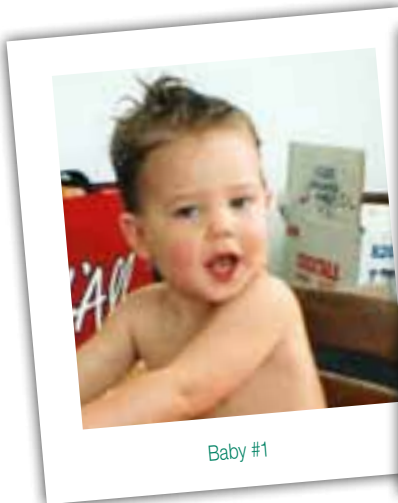

In addition to the Booster Club Scholarships and the Senior Awards, which are awarded to Bolton students when they graduate, Bolton students have the opportunity to receive cash grants from the Bolton Scholarship Association after they graduate and go on to college.

The Bolton Scholarship Committee met in February and awarded 23 new scholarships to deserving alumni from Bolton Central School. The total amount disbursed this year was \$4,466.72. Originally established as a loan-giving group, the Scholarship Committee now grants the scholarships outright to deserving Bolton graduates. The Class of 2010 will be eligible to apply for scholarships when they complete their first semester of college.

Students must submit a college transcript and have a G.P.A. of at least 2.50 to qualify. Awards are granted to students attending two-year and four year colleges and technical/trade schools.

The Bolton Scholarship Committee makes the grants from its endowment fund, and awards are based on the annual interest earned by this fund. This keeps the scholarship fund self-sustaining.

This year's scholarship recipients include: Andrea Andersen, Christopher Bliley, Kyle Cronquist, Margaret Dagles, Dylan DiMauro, Kelsey Dutra, Samuel Gabriels, Tyler Ganter, Benjamin Gaddy, Katherine Greene, Andrew Havey, Cody Kober, Kelsey Kneeshaw, Mark Lemise, Maggie O'Rourke, Michael Pratt, Lauren Quigan, Kristen Rafferty, David Smith, Luke Shane, Shawn Thomson, Brian Vilmar, and Ryan Volkmann.

# Booster Club Scholarships

Since 1995 the Bolton Booster Club has awarded scholarships to student athletes in our community.

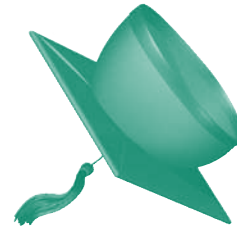

The club is fortunate to be able to sponsor a Golf Tournament each year at the Sagamore Golf Course. We greatly appreciate the Sagamore's generosity and commitment to the youth in our community.

This year the Booster Club presented six scholarships to senior varsity athletes. Recipients for the 2010 awards are: Grace Cady, who will be attending SUNY Potsdam; Matthew Peterson, who will be attending University of South Carolina at Columbia; Taylor Cronquist, who will be attending Keene State; Daniel Brown, who will be attending SUNY Canton; Domenick Pfau, who will be attending SUNY Plattsburgh; and Conor Smith, who will be attending Plymouth State. All of these athletes are well-rounded individuals who have contributed to their community through their involvement with sports all year round. They also have demonstrated a commitment to their academics and other various extracurricular activities. They display a great sense of pride in their community and are leaders to their teammates and younger athletes.

The Booster Club also presents an Athletic Citizenship Award to an athlete who shows and meets the requirements of good sportsmanship and possesses skills, knowledge and strong character. This year's recipient is Grace Cady. Grace has been involved in athletics from a very young age. She has participated on the soccer, basketball and softball teams since seventh grade. Her commitment to the community both on and off the field is extraordinary. She is always taking care of the people in her school and her family, and supports members of her community through various activities. Grace has helped coach youth basketball and kept score for the modified softball team. Her encouragement to the younger athletes and the example she sets is commendable. She has also participated at various events through Key Club and the Booster Club. Grace could always be counted on to help at the golf tournament or a spaghetti dinner to help raise funds for the Booster Club. People have commented how Grace is always looking out for others and always willing to lend a hand. She is a great role model, a leader among her peers, and an individual with strong character. These all indicate that she is a well-rounded, respected member of our community.
