# Alumni Receive Scholarships, Too

## Scholarship Association provides awards to former Bolton students who are enrolled in college

In addition to the Booster Club Scholarships and the Senior Awards, which are awarded to Bolton students when they graduate, Bolton students have the opportunity to receive cash grants from the Bolton Scholarship Association after they graduate and go on to college.

The Bolton Scholarship Committee met this spring and awarded 22 new scholarships to deserving alumni from Bolton Central School. The total amount disbursed this year was \$1,195.

Originally established as a loan-giving group, the Scholarship Committee now grants the scholarships outright to deserving Bolton graduates. The Class of 2012 will be eligible to apply for scholarships when they complete their first semester of college.

Students must submit a college transcript and have a GPA of at least 2.50 to qualify. Awards are granted to students attending two-year and four-year colleges and technical/trade schools.

The Bolton Scholarship Committee makes the grants from its endowment fund, and awards are based on the annual interest earned by this fund. This keeps the scholarship fund self-sustaining.

The recipients for this year's scholarships are: Andrea Andersen, Kathleen Bliley, Emma Cady, Grace Cady, Tyler Calzada, Kyle Cronquist, Taylor Cronquist, Samuel Gabriels, Benjamin Gaddy, Sonja Hess, Annelise Jensen, Laura Jensen, Caleb Kneeshaw, Kelsey Kneeshaw, Cody Kober, Elizabeth Parker, Alana Peterson, Matthew Peterson, Michael Pratt, Luke Shane, Rob Shane, and Kathleen Totzke.

## Booster Club Scholarships

### Since 1995, the Bolton Booster Club has awarded several scholarships to the athletes in our community.

Each year, the Booster Club sponsors a golf tournament at the Sagamore Golf Course and they greatly appreciate the Sagamore's generosity and commitment to the youth in our community. They have gone above and beyond to help support our club and athletes through this tournament and our yearly banquet.

This year, the Booster Club presented five scholarships to senior varsity athletes. Recipients for the 2012 awards are Marie DeLorenzo, who will be attending Clarkson University, Sean Donohue, who will be attending Clarkson University, Mitchell Jordon, who will be attending SUNY Plattsburg, Todd Markham, who will be attending SUNY Adirondack, and Tori Persons, who will be attending Keuka College. These athletes are well-rounded individuals who have contributed to our BCS athletic program, not only by participating, but by leading the way for our younger athletes. Encouraging team and community spirit through their leadership is a positive quality that each of these students possess. They also have demonstrated a commitment to their academics and have been involved in a number of extracurricular and community activities. Their display of pride in their community is evident both on and off the field.

In addition to the athletic scholarships that are awarded, the Booster Club also presents an Athletic Citizenship Award. This is awarded to athletes who meet the requirements of good sportsmanship combined with strong skills, knowledge and character. This year's recipients are Tori Persons and Mitchell Jordon. They both have been involved in several community events throughout their high school careers. Their leadership and character have earned the respect of many people they have come in contact with.

Congratulations to all of these athletes.

## On The Inside...

### **Class of 2012** Continued from front page

What do you call a group of children who began school when they were 5 years old and moved through each grade together for the past 13 years?

The Bolton Central School's graduating class.

Many of the 29 graduates who started in kindergarten together will add graduation to their school memories.

Class advisor Mrs. Cindy Ackerle described the Class of 2012 as hardworking, enthusiastic, and community-oriented. "It's a group that's full of strong leaders," she said. "They are willing to acknowledge each other's talents and gifts. They share the limelight with each other, and they are very appreciative of community and parental support."

Having been their class advisor for three years, Mrs. Ackerle said she's watched this group hold bake sales, attend the prom at The Sagamore Resort, and take their senior trip to Washington, D.C. Many students are also very active in the community with Girl Scouts or involved with their church.
