

Bolton Central School

SCHOOL PHILOSOPHY

Bolton Central School, established in 1927, acknowledges the diverse needs of its students and is dedicated to educational innovation. We focus on the development of well-rounded individuals who value diversity and respect for themselves and others. This occurs by balancing academics, athletics, the arts, cultural experiences outside the District, community service opportunities and involvement in the Adirondack environment.

Our students develop a social consciousness and worldview that provides a foundation for lifelong moral and intellectual growth. Individualized instruction maximizes the potential of each student within our supportive, nurturing environment. Bolton Central School faculty, staff and parents all play a significant role in the development of our students.

Educators are afforded a unique opportunity to apply their creativity to foster an enhanced learning environment that imparts wisdom as well as knowledge. Enduring relationships formed within and outside the school are an integral aspect of our educational experience. Bolton Central School is an institution that, in part, serves to define our community.

Continued pride in our school and commitment from the community is the foundation for the successful achievement of our educational mission.

CONTINUING THE DEVELOPMENT OF OUR STRATEGIC ACTION PLAN

In the spring of 2013, the Bolton Central School Board of Education developed the Strategic Planning Committee. The initial steps were conducted by an independent consultant and involved the defining of our District's mission, values and strategic goals. This process involved the gathering of information and facts from the District, as well as opinions and ideas from over 70 people in seven focus groups who were directly involved with the District.

The planning brought together school and community members to develop a blueprint for the future that included strategic objectives, action plans and the measurement tools needed to chart progress. The focus groups included: Board of Education members, Community members, Parents, Students, Instructional Staff, Non-Instructional Staff and Administrative Staff. To ensure that all members of our school community could have their voices heard, an online survey was also made available for anyone unable to attend a focus group meeting.

Discussion was initiated and driven by responses to a series of questions. Prior to the end of the sessions, participants were asked to prioritize their responses to selected questions on the basis of their perceived importance to the success of the District. Following the focus group sessions, the consultant worked to consolidate the results and the following recommendations were presented to the Board of Education and the public in attendance:

- 1- Focus on Academics/Raise Expectations
- 2- Increase Community Involvement
- 3- Student Enrollment

YOUR CONSTANT CONNECTION TO BOLTON CENTRAL SCHOOL!

Need to know if inclement weather will affect the school day, if a practice is cancelled or a location is changed? Check our website for the latest information!

Our website provides a constant connection to our school. You can view it at www.boltoncsd.org. No matter where you are, if you have access to the Internet, you have constant access to BCS. Through our school website, you are able to link to a variety of informative and interesting facts of the school. Staying informed about the latest news, educational programs and district information is just a "click" away.

Parents can also access PowerSchool from any computer or mobile device, allowing parents access to their student's information, including grades, attendance, assignment and test information. This information is available for review throughout the school year and teachers are asked to update regularly.

BCS students and parents will receive passwords, which will allow access to PowerSchool. To explore PowerSchool, go to the BCS website and click on the PowerSchool link under Quick Links on the left side of the home page. If you prefer, call the BCS Guidance Office at 644-2400, ext. 111 during regular school hours.

EMERGENCY CLOSINGS

School may be closed at any time of year due to weather or other unforeseen circumstances. When school is closed or dismissed early, all extracurricular activities and events for the remainder of that day and evening are also canceled, unless otherwise announced.

We are aware that emergency closings are often unexpected and parents may not be home to receive children. Once school is in session we make every effort to stay open. In the event of a closing, we also want to make certain the Town Highway Department has the opportunity to properly clear and sand roads for buses and individuals picking up children at school.

Should school not open due to emergency or weather conditions, or in the event of a delayed opening or an early dismissal, the radio and television stations listed here will carry important information for you. Parents of BCS students who have completed the necessary information during registration, will receive a phone call from the BCS Automated Message System. When possible details will be available on our website at www.boltoncsd.org.

DISPENSING MEDICATION

If you require any medication, prescription and/or over the counter that must be taken during school hours, we require documentation from your doctor stating your name, the name of the medication and prescribing information including frequency and dosage. The medication must be brought to the Health Office by your parent/guardian in the original container and will remain locked in the Health Office, where the School Nurse will retrieve it for you as appropriate.

Students that have been deemed self-directed by their doctor and the school nurse may be allowed to carry their own inhalers.

If you have any questions regarding medications in the school setting, please contact the school nurse during regular school hours.

STUDENT INSURANCE

All student related, supervised activities are covered by our supplemental student accident insurance policy. Claims for injury must be submitted by the parents or guardians' to their own health insurance carrier first. If the claim is not payable or is in excess of the amount payable, the balance is then submitted for supplemental payment under the school policy.

DIGNITY FOR ALL STUDENTS ACT

The Dignity for All Students Act (DASA) requires school districts to develop a policy that prohibits harassment, bullying, and discrimination and adds awareness to actual or perceived race, weight, national origin, ethnic group, religion, religious practice, disability, sex, sexual orientation, and gender. The goal of the DASA is to create a safe and supportive school climate where students can learn and focus in a welcoming considerate environment.

For more information about DASA and Bolton Central School District's policy, please visit our website at www.boltoncsd.org or call the school's main office at 644-2400.

FOOD SERVICE INFORMATION

To find out what is being served for breakfast or lunch, visit the BCS web site at www.boltoncsd.org. Click on the word "Menus" in the Quick Links column at the right side of the home page. This will allow you to view monthly breakfast and lunch menus.

SCHOOL BREAKFAST

Bolton Central School offers breakfast to all students. Breakfast is served each school day beginning at 7:45 a.m. Cost is \$1.75. All menu items meet or exceed nutritional guidelines as determined by NYS and Federal Programs. Reduced breakfast price 25¢.

SCHOOL LUNCH

Bolton Central School serves nutritionally complete lunches every school day. In addition to a complete lunch, students may purchase any part of the lunch on an a-la-carte basis. Regular lunch may be purchased for \$2.55. Additional milk may also be purchased separately for 50¢.

Children from households that meet federal income guidelines are eligible for free or reduced price lunches. The cost of a reduced price lunch is 25¢. Please contact Donna DiPietro, the School Nurse, at 644-2400 ext. 106 for information. Applying is simple and confidential.

SCHOOL BUS SAFETY RULES & PROCEDURES

The most important element of school bus transportation is the safety of students. In order to achieve a safe and efficient system, drivers must have the cooperation of all student riders. All BCS bus drivers are responsible for the operation of the bus and for the appropriate behavior of students while riding on the school bus. Parents remain responsible for the behavior of students until they are boarded onto the school bus. Students are expected to always follow the Bus Safety Rules. This means that at all times students will comply with instructions from the bus driver.

Incidents of misbehavior will be reported to the Administration and can result in your loss of bus riding privileges. Students may be given assigned seating on any bus run.

Remember that the Bolton Central School District cooperates fully with the New York State Department of Transportation and Education Department. We are a member school for "Operation Safe Stop". Under normal circumstances you will enter and exit the bus so as not to cross traffic on busy or potentially dangerous roads.

The following rules and regulations are in place for all bus riders:

Waiting for the Bus

- * Be on time! Plan to be ready to board as soon as the bus arrives.
- * Wait off the road surface.
- * Always watch the bus as it comes to a stop.

Arrival of the Bus

- * Stand still until the bus has completely stopped.
- * Board the bus safely, quickly and quietly.
- * Sit as the bus driver directs you.
- * Seat belt use is suggested for student safety.

- * Please do not act in any manner that will cause the bus driver to take his/her eyes from the roadway or mirrors.

While the Bus is Moving

- * Remain seated and sit quietly so you can hear directives from the driver if need be.
- * While the bus is moving, you must not do anything that will disturb or distract the driver or cause harm.

This includes:

No swearing, abusive or vulgar language or gestures

No hitting, touching or harassing riders

Fighting is NEVER allowed and will not be tolerated

Keep arms and head inside windows at all times. Only open a window after getting approval from the driver. Do not shout or gesture out of a window..

Hold all books and belongings or place them securely under your seat

Always know the location of the nearest emergency exit
