VOLUNTEER

Individuals aged 13 and above are eligible to volunteer at Glens Falls Hospital.

- Junior Volunteer Program - Ages 13-18
- Adult Program - Ages 18 and up
- Intern and Shadowing - Ages 18 and up

For more information, please contact Tom Lyons, Director of Volunteer Services at 518-926- 2780

PATIENT CARE ASSOCIATE (PCA)

Individuals aged 18 and above are eligible to begin their career in healthcare as a Patient Care Associate. Patient Care Associates are an integral part of the patient care team. We offer a variety of opportunities:

- Full-Time positions
- Part-Time positions
- Per diem positions (excellent for individuals enrolled in school)
- Day, Evening, & Night Shifts

If interested, please contact Rachel DeLane, Talent Acquisition Specialist, Nursing, 518 926-1813.

*** Tuition Reimbursement Available!***

STUDENT NURSE EXTERN PROGRAM (SNE)

Individuals entering their final year of nursing school (4- year Bachelors or 2- year Associate degree) are eligible to begin their career in healthcare as a Student Nurse Extern. Student Nurse Externs perform traditional patient care associate duties, and their experience will be supplemented with preceptorship with a Registered Nurse.

We offer a variety of Clinical Areas:

- Medical Surgical
- Emergency Department
- Critical Care

Day and Night shifts are available and SNEs are provided an opportunity for advance placement into the Nurse Residency Program.

If interested, please contact Rachel DeLane, Talent Acquisition Specialist, Nursing, 518-926-1813

*** Tuition Reimbursement Available!***

LICENSED PRACTICAL NURSES & REGISTERED NURSES
